

RUMANIAN NOTE SEEKS TO CALM COUNCIL'S FEAR

Members of Peace Delegation Say Reply to Allies Is Conciliatory.

IS NOW BEING DECIDED

Diamondy, Budapest Commissioner, Rebuffs Entente's Mission.

By the Associated Press.
Paris, Aug. 12.—The Interallied Supreme Council was summoned hastily to-day to consider the Hungarian situation.

The replies of Premier Bratiano of Rumania to the notes of the Supreme Council of the Peace Conference concerning the activity of Rumanian troops in Hungary have reached Paris and were being decided to-day by the Rumanian delegation.

While the full and exact texts of the notes are not available, the members of the Rumanian delegation say that they are of a conciliatory nature. It is said that Premier Bratiano has instructed the Rumanian officers at Budapest to hold an immediate conference with the allied Generals there and to make every effort to avoid complications.

It is not known to-day when the notes were presented to the Supreme Council.

Diamondy Obdurate.

Constantine Diamondy, Rumanian High Commissioner at Budapest, according to a message received to-day from the interallied military commission in the Hungarian capital, informed the members of the commission that he would not consider its instructions as orders. The allied Generals, thereupon, telegraphed to Paris if they were right in considering instructions from the Peace Conference as military orders.

The orders which M. Diamondy refused to accept, it is learned, were based on instructions from the Peace Conference to the interallied mission ordering it to carry out the disarmament of the Hungarians in accordance with the terms of the armistice of November, 1918.

M. Diamondy, the message adds, said he was authorized to carry on negotiations with the interallied commission, but would not obey its orders.

Dentes Aiding Archduke.

The Rumanian commissioner denied that his Government had supported the movement which placed Archduke Joseph in control in Budapest. He said he would study the representations made concerning the requisitions of foodstuffs and material by the Rumanians.

M. Diamondy, the message continues, also denied that the Rumanian Government had sent an ultimatum to Archduke Joseph. He said it had only sent an informal document through a liaison officer. As the document Rumania sent the Archduke insisted upon the frontier established by the Allies between Hungary and Rumania in 1916, when Rumania entered the war, the conference regards the communication as distinctly an ultimatum intended to supersede the action of the conference.

SAYS RUMANIA WAS COMPELLED TO ACT

Reds Attacked in Transylvania, Says Bratiano.

By the Associated Press.

Bucharest, Aug. 12. (Delayed.)—The Rumanian army entered Budapest in what was believed to be compliance with the wishes of the Allies. Premier Bratiano of Rumania said to-day in a statement to the Associated Press. He said the movement was undertaken in an effort to stamp out Bolshevism and that there was not the slightest disposition on the part of the Rumanians to take any territory beyond that considered essential to Rumania's achievement of national unity.

"Our troops will be withdrawn within the frontiers fixed by the Rumanian treaty of alliance with the Allies," Premier Bratiano said, "whenever there is established in Hungary a stable Government that will afford protection to the Rumanian frontiers and give an effective guarantee that the armistice or treaty terms will be observed."

"While we were awaiting the arrival of allied troops the Bolsheviks attacked the Rumanian troops on the Transylvanian front. After several days of hard fighting in which Rumania received no material help from the Allies, the Bolshevik forces were beaten decisively," the Premier said. "The so-called Government of Bela Kun was overthrown, although at heavy sacrifices on the part of the Rumanian army. In order to render the victory effective the Rumanian troops occupied Budapest and restored order where only anarchy had prevailed."

"It is rather strange to find Rumania treated as an enemy, not as an ally, and charged with the violation of the terms of the armistice simply because we defended ourselves when attacked. We did single handed what the Entente asked us to do with them several weeks before, that is, to go to Hungary and end the anarchy which threatened not only the peace of Rumania but that of all Europe."

"Rumania has achieved national unity and does not want more territory from Hungary. She wants only a just peace and restoration of order so that her army may be demobilized and return to work to aid in unifying and rebuilding the country out of the wreckage of war. These results cannot be secured so long as we are compelled to fight single handed against Bolshevism on two fronts and so long as our every effort at self defence and restoration of order is embarrassed and misrepresented."

The new Hungarian administrator, who is called "the royal Prince Joseph" by the official Hungarian news agency, had a conference with the political party leaders to-day and ordered them to work out a plan for restoring conditions to normal. The leaders immediately went into session and will report later to the administrator.

RUMANIANS HALTED MOVE BY AUSTRIANS

Seizure of West Hungary Was Feared.

By the Associated Press.

BERLIN, Aug. 12. (Delayed.)—Despatches from Budapest say it is becoming clearer that the Rumanian advance into west Hungary to the Austrian border was caused less by fear of peasant uprisings than to prevent Austria from seizing west Hungary and stopping or putting pressure on the voting in this section.

Negotiations with regard to the creation of a new government have made certain progress, the advices assert, but have not been concluded. The anti-Communist Government is now demanding cooperation with the workmen, but only with those who are "Christians and who are pursuing Christian politics." It has not been settled whether the Socialists will agree, since they fear anti-Semitism.

The basis of a thoroughly democratic government has been established, in which the present Government will be invited to participate, the despatches declare.

Former members of the Hungarian Parliament are conducting independent negotiations and it is planned that the two houses of Parliament shall meet a commission of the new Assembly, which will be elected to take over legal authority, so as to maintain the legal continuity of Hungarian constitutional life.

COPENHAGEN, Aug. 12.—The Hungarian public prosecutor has issued an announcement that proceedings will be begun against all individuals charged with crimes during the Bela Kun dictatorship, and that steps have been taken for their arrest and extradition, according to advices from Budapest.

Another announcement says it is intended to prosecute Bela Kun and his associates for incitement to murder, robbery and forgery.

SEA WINDOW FOR BULGARIA.

Supreme Council Prepares to Give Opening to Mediterranean.

PARIS, Aug. 12.—The Supreme Council, the Echo de Paris says, is preparing to give Bulgaria an opening to the Mediterranean Sea through either Gedematch or Kavala. The territory surrounding the port selected would be neutralized and placed under a status similar to Danzig.

That portion of Thrace given Bulgaria at the close of the Balkan wars included Dedagatch. The Bulgarians and Germans built a railroad from Central Bulgaria to Dedagatch.

HALIL PASHA HAS ESCAPED.

Naval Leader During War Now in Erzerum, Belief.

CONSTANTINOPLE, Aug. 12.—Halil Pasha, former Minister of Marine and uncle of Enver Pasha, former Minister of War, has escaped to Asia Minor with Krichak Talat, another leader of the Committee of Union and Progress. It is believed he will join Mustafa Kiamil Pasha in Erzerum.

Halil Pasha was made Minister of the Turkish navy in 1913 and held office during most of the period of the great war. A Constantinople despatch announced on January 13, 1918, that he had died, but this news was never confirmed. Mustafa Kiamil Pasha, former Grand Vizier, Foreign Minister and President of the Council of State, was in command of Turkish troops in the Lake Van region in 1916, and was defeated by the Russians, retreating to Erzerum. He was later arrested, being charged with responsibility for massacres of Greeks in Asia Minor. Early this year his forces at Erzerum were reported to be concentrating for an attack on the Allies.

A Paris despatch on July 7 stated that Mustafa Kiamil Pasha and Enver Pasha might attempt the formation of a separate Turkish government. On August 4 advices from Constantinople reported that the Turkish Cabinet had ordered the arrest of Mustafa Kiamil Pasha and Reuf Bey on the charge of conspiring a separatist Congress and organizing armed bands in the Smyrna and Erzerum districts.

Blast Hurts U. S. Soldiers.

TOULON, France, Aug. 12.—An American shell weighing 200 kilograms exploded Tuesday near a tugboat which was engaged in sinking no longer useful explosives in the Mediterranean. The members of the crew were thrown to the deck and several of the men suffered contusions.
